

TV spot 1

Audio: The Anchorage School District educates more than 49,000 students.

Graphic: 37% of the state (or 1/3 of state)

Audio: That requires a lot of space making ASD the largest physical plant in Alaska.

Graphic: 99 schools and support facilities

Audio: The district will spend \$22.5 million from the budget maintaining the buildings this year alone.

Graphic: \$22.5 million maintenance

Audio: For big ticket renovation projects... the district bonds for funding.

Audio: Propositions 1 and 2 will fund renewal projects at 25 school facilities and one future school site.

Graphic: Propositions 1 and 2
