

### **TV spot #3**

Audio: Service High School opens its doors every day to 1,850 students...

Video: fuzzy doorway, students walking in the halls

Audio: ...who work hard to get an education.

Video: classroom

Audio: The problem is the school was built as a junior and senior high school... not for a one-school program... making the building functionally inefficient.

Video: general building shots

Audio: Get online. Go to [www.asdk12.org/bonds](http://www.asdk12.org/bonds). See the plan to renovate and build an addition to Service High School.

Video: Service plans online

Audio: Learn the facts about the school bond propositions. Make an informed decision at the polls on April 7.

Video: graphic of propositions, paid for by ASD.
