High School: _____ **ASD** **Date:** _____

Budget 2009-10

Name	# Students
Total Students	0

Note: In the grey area above, enter teacher's name and number of students that teacher has enrolled in their CTE courses. The Total will be automatically calculated.

The beginning balance to the right will be calculated based upon the number of students enrolled in CTE courses.

The Order Amount represents the total amount for the individual teacher.

The CTE department of your school will be allocated $30 per student.

Date	Teacher	Order Amount	Balance
			0.00
