

F&R-1

Use add., sub., mult., div, or symbols.
What are the next 7 terms in this pattern.?

_____,

Determine mph. Add some miles and some hours

F&R-1

During the trip we averaged _____ miles per hour. Fill in the table.

hours				b			
miles		a			c		d

Use add., sub., mult., or division patterns.
Complete the function machines.

F&R-1

in	out	in	out
	a		
		b	

Use add. or subtraction patterns

F&R-3

What are the rules for these functions?

in	out	in	out
			b
a			

What is the rule for this pattern?

F&R-2

_____, _____, _____, _____, _____

Extend this pattern.

F&R-4

You may use a calculator.

21, 42, 84, _____, _____, _____, _____,

What is the rule for this table?

F&R-2

?	\$1.50	\$3	\$4.50	\$6	\$7.50
?	3	6	9	12	15

varying units for answers

Extend this pattern.

F&R-4

You may use a calculator.

100, 81, 62, _____, _____, _____, _____,

For each equation insert two values and one box for an unknown.

F&R-5

_____ + _____ = _____

_____ - _____ = _____

_____ X _____ = _____

_____ ÷ _____ = _____

For each equation insert two values and one box for an unknown.

F&R-5

_____ + _____ = _____

_____ - _____ = _____

_____ X _____ = _____

_____ ÷ _____ = _____
