

September 1, 2004

You have been nominated by Professor Dumbledore of Hogwarts School of Witchcraft and Wizardry to spend a year at the school with Harry Potter and his friends, Hermione Granger and Ron Weasley. The Sorting Hat will determine which house you will live in while you attend the school. To be selected for residence in the Gryffindor house, you must submit an autobiography, which details the most important events of your life. Only a select few will be chosen, so it's very important that you follow all the directions given to you by your teacher. Good Luck!

Professor
Dumbledore

Instructions:

Your assignment must be a graphical representation (diorama, poster, scrapbook, etc.) of your history. Please include a written caption explaining each picture or drawing. Your project must include at least one item from the following parts of your history:

- When/where you were born
- History of family/family members
- Biggest event in your life
- One item of historical significance from the previous year

Parents and family members are strongly encouraged to help out with this project.
