

Informed Health[®] Line

**Health information
24 hours a day,
365 days a year from
Informed Health Line**

At Aetna, we're dedicated to providing information to help our members make intelligent choices about their care, offering round-the-clock access to the following credible sources of health information:

**Informed Health Line —
call toll free anytime,
day or night**

- Talk to a registered nurse, who can provide information about a variety of health and wellness topics.
- Listen to the Audio Health Library, a recorded collection of more than 2,000 health topics. Transfer easily to a registered nurse at any time during the call.

**Healthwise[®]
Knowledgebase**

Browse one of the most advanced health databases available today. Get there quickly and easily using our Aetna Navigator[™] password-protected website, at www.aetna.com.

These valuable tools are some of the many resources Aetna offers to help you make decisions that are right for you. Consider their importance in making your health plan selection.

"Aetna" is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies. The Aetna companies that offer, underwrite or administer benefit coverage include Aetna Health Inc., Aetna Health of the Carolinas Inc., Aetna Health of Illinois Inc. or Aetna Life Insurance Company.

Informed Health Line services provided by Informed Health Line, Inc. Informed Health Line nurses cannot diagnose, prescribe or give medical advice. Members should contact their physicians first with any questions or concerns regarding their health care needs. Not all topics discussed within the audio health service are covered expenses under your individual health benefits plan.

Aetna assumes no responsibility for any circumstances arising out of the use, misuse, interpretation or application of any information supplied by Healthwise Knowledgebase. Aetna does not recommend the self-management of health problems, nor do we promote any particular form of medical treatment. You should consult with your health care provider for the advice and care appropriate for your specific medical needs. The information contained in this document does not constitute medical advice as each individual circumstance is different. Aetna does not provide medical services and, therefore, cannot guarantee any results or outcomes. Information supplied by Healthwise Knowledgebase is for informational purposes only, is not medical advice and is not intended to be a substitute for proper medical care provided by a physician.
