Current Events For ISS

1. Locate an article about a conflict or current event occurring in another country.
2. Write a 1/2 page summary about the article. Make sure this is done in your own words, don't just copy the article. Be sure to double space.
3. Write a 1/2 page providing your own opinion about the conflict or current event. How does the article affect you or make you feel? Be sure to double space.
4. Draw a map of the country or countries where this event/conflict is taking place. **Label the country, all borders, the capital, 2 cities, and 2 physical features. The map must be colored. Indicate where the conflict/event takes place. Provide a map KEY.**
5. Write a short paragraph explaining a "historical" significance to this article. i.e. Why is this important to U.S. History or to the History of the conflict area? What is the background information needed.
6. Please attach the article to your summaries and map.

Note: All typed parts need to be double spaced and a font size between 12-14.
