

ISS LESSON

Now that you have looked into the future, I'd like you to answer the following questions:

What can you do today/tomorrow that will change your **future**? (25 words)

Who do **you look up** to in your life? **Why** is this person important to you? (25

words)

Does this **person** mentioned above think that your life is generally headed in the right

direction? Explain.

What can **you** do to improve your life? I want you to give me **specific and real** ideas.
