

The core reading program is *Bridges to Literature* published by McDougal Littell. This is a textbook intervention program with three reading levels: gold (3.5 – 4.5), red (4.5 – 5.5), and green (5.5 – 6.5). Program components include:

- Teacher's edition
- Student text
- Skillbuilder Workbook (consumable)
- Power Words (copymasters)
- Power Planning\*
- Reading Toolkit
- Audiobook CD (available in Spanish, too)
- Reading Coach CD (computerized instruction)
- Low readability trade books (varies from site-to-site)

(Click on the image for more information.)

*\*The Assessment booklet contains errors, so please only use assessment materials from the Power Planner.*
