

A.C.T.I.V.E. Reading

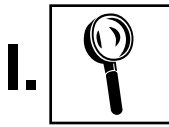

- ask questions as you read and try to answer them

- make *connections* to your life, to other literature, and to the world around you

- *track down* or determine the important information

- *infer* by putting together clues and thinking up new ideas during reading

- *visualize* as you read and make mind movies

- *Eureka!* The “Aha” moment means you have made a synthesis!
