

## Discussion Seeds

These are discussion *seeds*. You can have *seeds* of your own, but make sure they are reflective and not just an obvious statement. If you want to add *seeds* to this paper, let me know about your great ideas!

I can summarize this idea by saying . . . .

I think this will be easy/hard to remember/learn because . . .

I understand this concept because . . .

The main ideas were . . .

I didn't understand . . .

This concept reminds me of . . .

Do you have any other ideas about . . .

I agree with you about . . . but I also think . . .

I didn't understand when you said . . .

An example of this is . . .

The relationship between \_\_\_\_\_ and \_\_\_\_\_ is . . .

What would happen if . . .

I predict that \_\_\_\_\_ would happen if . . .

This graph/illustration shows me that . . .

I am interested/surprised that . . .
