ASD MEMORANDUM #305 (2005-2006)

June 12, 2006

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: AWARD OF CONTRACT: PLAYGROUND SHREDDED RUBBER
FILL

ASD Goal: Establish and maintain a supportive and effective learning environment by providing safe, caring, barrier-free schools. Ensure public accountability through effective consultation with community to ensure wise use of financial resources and responsible construction and maintenance of facilities, and effective communication with students, staff, parents, community and government at all levels.

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve and authorize the Superintendent to award a contract to No Fault Sport Group, LLC, to furnish playground shredded rubber fill in the amount of \$166,300.

PERTINENT FACTS:

The Maintenance Department has researched playground surface material and has determined shredded rubber fill will continue to be used as the District standard product for playground surfacing material. An Invitation to Bid was issued for playground shredded rubber fill on April 12, 2006 (Attachment A). Three bids were received on May 3, 2006 (Attachment B). The low bid was received from No Fault Sport Group, LLC. The purchase of 300,000 pounds of playground shredded rubber fill will be used as playground surface material at Chinook and Wonder Park Elementary Schools, and at other playgrounds located throughout the District.

Although No Fault Sport Group, LLC has not supplied playground shredded rubber fill to ASD in the past, their product meets all specifications. However, No Fault Sport Group, LLC has supplied shredded rubber fill to various public entities, including The Los Angeles Unified School District and the Floresville Texas Independent School District.

The bid price for the playground shredded rubber fill reflects a \$.01 per pound increase compared to last year.
