ASD MEMORANDUM #235 (2007-2008)

April 14, 2008

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: RECOGNITION OF 2008 STUDENT LIBRARY BOOKMARK WINNERS

*ASD Goal: Increase student academic achievement; and establish and maintain a supportive and effective learning environment by offering reinforcing extracurricular activities.*

PERTINENT FACTS:

Occasionally, a literary adventure must be interrupted. As the reader reenters everyday reality, a promise is made to return when he or she places a bookmark in the pages. Each year, Anchorage School District librarians organize a bookmark design contest for all ASD students, inviting them to use their creativity to symbolize the wonderful world of reading and libraries. Designs incorporate the current American Library Association's theme of "Check it out @ your library."

The student bookmarks will be printed and distributed during National Library Week, scheduled for April 13-19. The following students won their divisions with the help of their school librarians, who are also listed:

Primary Division: **Eric Thomas**, Spring Hill Elementary School  
**Audrey Jorgensen**, Librarian  
Intermediate Division: **Tristan Morgan**, Kasuun Elementary School  
**Linda Masterson**, Librarian  
Middle School Division: **Pauline Corpus**, Mears Middle School  
**Heather Fleming**, Librarian  
High School Division: **Kate Partain**, Eagle River High School  
**Mary Jo Iagulli**, Librarian

This is a request to officially congratulate these winners for sharing their artistic talents to spread the good word about good books.
