

ANCHORAGE SCHOOL DISTRICT
ANCHORAGE, ALASKA

ASD MEMORANDUM #12 (2008-2009)

August 11, 2008

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: RECOGNITION OF ALASKA SUPPLY CHAIN
INTEGRATORS CONTRIBUTION

ASD Goal: Establish and maintain a supportive and effective learning environment by collaborating with other community agencies to maximize opportunities for lifelong learning.

Without the proper fuel, young minds have a hard time understanding their lessons and tasks given in their classrooms. An innovative program at the district elementary schools, “the principal’s lunch card,” benefits children who would not otherwise eat a hot lunch at school.

Last year, Nunanka Valley Elementary Principal Jacqui Gorlick and former Elementary Education Director Patricia McCrae explained the program to ASD principals who offered their enthusiastic support.

Generous support for the program comes from **Ron Riesmeyer** and **Terry Gorlick** of **Alaska Supply Chain Integrators** through a \$5,000 donation. The funds are divided among 54 elementary schools, with each receiving about \$95 to feed hungry students.

This is a request to thank and congratulate Ron Riesmeyer and Terry Gorlick and Alaska Supply Chain Integrators for their assisting in fighting hunger and improving student achievement in our schools.
