ASD MEMORANDUM #22 (98-99)

August 10, 1998

TO: SCHOOL BOARD  
FROM: OFFICE OF THE SUPERINTENDENT  
SUBJECT: NATIONAL SCHOOL BOARD CODE OF ETHICS

RECOMMENDATION:

It is recommended that Anchorage School Board members sign the National School Boards Association Code of Ethics.

PERTINENT FACTS:

During discussions in the 1993-94 school year, the School Board indicated an interest in annually having Anchorage School Board members sign the National School Boards Association Code of Ethics. It is a symbol that the elected school officials are committed to improving public education and that they individually and collectively support and promote the Code of Ethics for all Board members.

As a demonstration of that commitment and effort, the Anchorage School Board members are asked to sign the individual Code of Ethics at a School Board meeting at the start of the 1998-99 school year.
