

ANCHORAGE SCHOOL DISTRICT
ANCHORAGE, ALASKA

ASD MEMORANDUM #224 (1999-2000)

May 22, 2000

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: AWARD OF CONTRACTS: FURNISH & DELIVER FIVE (5) NEW, 72 PASSENGER, TYPE D BUSES; FIVE (5) NEW, 84 PASSENGER, TYPE D BUSES; AND THREE (3) NEW, 29 PASSENGER, WITH LIFT, TYPE C BUSES.

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve the award of contracts to the low responsive, responsible bidders as follows: Alaska Truck Center for five (5) New, 72 Passenger, Type D School Buses, Bid A, in the amount of \$374,985 and five (5) New, 84 Passenger, Type D School Buses, Bid B, in the amount of \$390,750; and to Quality Equipment Sales & Service, for three (3) New, 29 Passenger, with lift, Type C School Buses, Bid C, in the amount of \$235,527; for a total award of \$1,001,262.

PERTINENT FACTS:

An Invitation to Bid was issued on February 11, 2000 for five (5) new, 72 passenger, Type D and five (5) new, 84 passenger, Type D and two (2) new, 29 passenger, with lift, Type C or two (2) new, 29 passenger, with lift, Type D school buses.

After the bids were opened, it was determined that sufficient funds would be available to purchase three (3) new, 29 Passenger, with lift, Type C School Buses rather than the two (2) specified in the Invitation to Bid. It was determined to be in the best interest of the School District to increase the quantity of the new, 29 Passenger, with lift, Type C, buses to three.

Thirteen copies of the Invitation to Bid were mailed on February 11, 2000. Four responsive bids were received and opened on March 3, 2000. The Abstract of Bid (Attachment A), Tabulation of Bids, Bid A (Attachment B), Tabulation of Bids, Bid B (Attachment C), Tabulation of Bids, Bid C (Attachment D), Tabulation of Bids, Bid D (Attachment E) and Recommended Awards for School Buses (Attachment F) are provided for your review.

The bids were reviewed for compliance with the specifications by the Pupil Transportation Department.

The buses scheduled to be replaced are 1982, 1983 and 1984 model buses. These buses are 16 to 18 years old with an average of 194,000 miles. The Vehicle Maintenance Department has encountered difficulty purchasing replacement parts for many of the components on these buses. One of the items that cannot be located are replacement brake drums. Because replacement parts cannot be purchased the Transportation Department will have no other choice than to put these units out of service when the brake drums no longer meet specifications.

If the School Board approves the purchase of these buses, the oldest buses in the fleet would be 1988 model buses.

CERTIFICATION OF FUNDS:

Fund Description:

(01) General Fund
(108101) Bus Operations
(5410) Replacement Equipment
