TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: REVISION TO SCHOOL BOARD POLICY 341.2: CURRICULUM COMMITTEES

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve the revisions to School Board Policy 341.2, Curriculum Committees as shown on Attachment A on First Reading.

PERTINENT FACTS:

The School Board Policy Subcommittee met on April 27, 2000 and reviewed the current policy 341.2, Curriculum Committees. The Subcommittee asked the Administration to draft revisions to the current policy in order to clearly show the role of students, parents, community and business representatives, and professional staff in the curriculum review and adoption process. Other changes were made to the policy to reflect current practice and the new requirements of having Board adopted content and performance standards as the basis for the instructional program. The proposed revisions are shown on Attachment A.

The School Board Policy Subcommittee asked the Administration to forward these proposed changes to the full School Board for their review and approval.
