ASD MEMORANDUM #331 (1999-2000) (REVISED)

June 5, 2000

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: REVISION TO SCHOOL BOARD POLICY 493: SECRET CLUBS,
POLICY 348.1 STUDENT CLUBS, AND POLICY 493.1
PROHIBITED ORGANIZATIONS AND GROUPS (SECOND
READING)

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve the renumbering of, and revisions to, School Board Policies 348.1, Student Clubs; the renumbering of Policy 493.1, Prohibited Organizations and Groups; and the deletion of Policy 493, Secret Clubs, as shown on Attachment A on Second Reading.

PERTINENT FACTS:

The School Board Policy Subcommittee discussed these proposed changes on April 27, 2000 and asked the Administration to forward the proposed revisions to the full School Board for action. The Executive Directors for High School Education and Middle Schools, and the Assistant Superintendent have reviewed these proposed changes and support them.

The Subcommittee recommended moving section 348.1, Student Clubs, to the 400 section since the 400's in policy deal with student issues. The Administration's recommended changes reflect the movement of Policy 348.1 from the 300's to a new section 456, Student-Organized Extracurricular Clubs. In addition, section 493.1, Prohibited Organizations and Groups will be moved and renumbered as Policy 457. Policy 493 will be deleted as it is covered in the new policy on Student-Organized Extracurricular Clubs.

The School Board passed these proposed policy changes on First Reading at the May 22, 2000 School Board meeting.
