ASD MEMORANDUM #113 (2000-2001)

November 20, 2000

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: POLICY REVISION: FILLING OF SCHOOL BOARD VACANCIES,
POLICY 122.1 (REVISED)(SECONDREADING)

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve on Second Reading, the proposed revisions to School Board Policy 122.1, Filling of School Board Vacancies, as shown on Attachment A.

PERTINENT FACTS:

The School Board Policy Committee reviewed the current policy on filling School Board vacancies after the last use of the policy in August. Members of the Policy Subcommittee are proposing changing the policy to more closely mirror the process used by the Assembly in filling vacancies. The Assembly uses paper ballots in their selection process.

The School Board voted on changes to the recommended Policy at the October 23, 2000 meeting. The revisions are incorporated into this second reading as shown on Attachment A.
