ASD MEMORANDUM #291(2000-2001)(FIRST READING)

May 14, 2001

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: REVISIONS TO SCHOOL BOARD POLICY 800, COMMUNITY  
RELATIONS, AND SCHOOL BOARD POLICY 346.3, LIBRARY/MEDIA  
MATERIALS

RECOMMENDATION:

It is the recommendation of the Administration that the School Board adopt the recommended policy changes for School Board Policy 800 (Attachment A), and School Board Policy 346.3 (Attachment B) on First Reading.

PERTINENT FACTS:

The School Board Policy Sub-committee and the Administration have spent many months deliberating these proposed changes. The Policy Sub-committee recommended that these changes be forwarded to the full School Board for approval.

These policies impact all areas relating to Community Relations. There are substantive changes to sections relating to the community use of Anchorage School District facilities; requests for public records, communications with the public and the media, public participation in the schools, promotions and advertising, volunteers in the schools, gifts and donations, political activities, complaints concerning school personnel, fund-raising and endorsements, contests, and special provisions.

Once the School Board adopts these policy changes on First Reading, the Administration will bring forward the revision to the Rental Fees for School Board action at the May 21, 2001, School Board meeting. These increases to the fees have been built into the FY 2001-2002 budget and is a recommendation of one of the Budget Review Teams.
