ANCHORAGE, ALASKA

ASD MEMORANDUM #332 (2000-2001)

June 11, 2001

TO: SCHOOL BOARD  
FROM: OFFICE OF THE SUPERINTENDENT  
SUBJECT: RENEWAL OF CONTRACT: DAIRY PRODUCTS

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve the award of a contract extension for Dairy Products to Creamery Corporation, dba/Matanuska Maid Dairy for the period July 1, 2001, through June 30, 2002, in the total estimated amount of \$828,100.

PERTINENT FACTS:

The Anchorage School District issued an Invitation to Bid for the 2000-2001 school year which resulted in the award of a contract to the only bidder, Creamery Corporation, dba/Matanuska Maid Dairy, with two one-year extensions available. This is the first extension of that contract.

The Dairy Products recommended for purchase are for the Student Nutrition Department for distribution of their school lunch program at various schools within the Anchorage School District for the 2001-2002 school year.

This is the ninth year the Anchorage School District and Matanuska-Susitna Borough School District have consolidated their dairy product requirements under one contract. The purpose is to increase the volume to obtain lower prices. Each school district will be responsible for ordering their own products and having them picked up or delivered to their respective delivery locations.
