

ANCHORAGE SCHOOL DISTRICT  
ANCHORAGE, ALASKA

ASD MEMORANDUM #339 (2000-2001)

June 11, 2001

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: RENEWAL OF CONTRACT: COLLECT AND REMOVE TRASH  
FROM 64 EXISTING SCHOOLS

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve and exercise the third one-year option for renewal of a contract for Districtwide refuse hauling to Alaska Waste Transfer, Inc. in the estimated amount of \$248,121.82 plus pass-through tonnage charges from July 1, 2001, through June 30, 2002.

PERTINENT FACTS:

The original contract was awarded on April 24, 1998, as a result of a competitive Invitation to Bid and has four one-year extensions available by mutual consent. This recommendation is for the third one-year option to extend the contract awarded to Alaska Waste Transfer, Inc. to collect and remove trash from 64 existing school district sites. Pass-through tonnage expenses are as set by the Municipality at the time of dumping at the Municipal landfill. There has been approximately \$120,000 additional in pass-through costs in prior years. These pass-through tonnage costs are considered fair and reasonable by the School District Operations and Purchasing Departments.

Accordingly, renewal of this contract to Alaska Waste Transfer, Inc. for the third of four one-year options available is recommended.
