

ANCHORAGE SCHOOL BOARD
ASDR 2001-2002 #4

A RESOLUTION IN SUPPORT OF NATIONAL COMMUNITY EDUCATION DAY, NOVEMBER 13, 2001 IN THE ANCHORAGE SCHOOL DISTRICT

WHEREAS, lifelong learning experiences for all community members, regardless of age, are a premise of community education; and

WHEREAS, community education is a school and community partnership that fosters lifelong learning experiences for every member of the community, from early childhood to the elderly; and

WHEREAS, the community school open evenings, weekends, and during the summer is a focal point for community activities and services; and

WHEREAS, the community school positively affects the quality of life for all community members; and

WHEREAS, the citizens of Anchorage, Alaska are committed to meeting the educational, health, social services, cultural, recreational, and involvement needs of all members of the community; and

WHEREAS; the theme of National Community Education Day in 2001 is Community Education: A Beacon For All Ages;

NOW, THEREFORE, be it resolved that the Anchorage School Board recognizes and supports November 13, 2001, as National Community Education Day in the Anchorage School District.

PASSED AND APPROVED this 12th day of November 2001.
