ASD MEMORANDUM #20 (2002-2003)

August 26, 2002

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: REVISION TO SCHOOL BOARD POLICY SECTION 173.2:
STUDENT ADVISORY BOARD (SECOND READING)

RECOMMENDATION:

It is the Administration's recommendation that the School Board approve on Second Reading, the proposed revisions to School Board Policy 173.2: Student Advisory Board.

PERTINENT FACTS:

Policy 173.2 Student Advisory Board

The School Board Policy Subcommittee met on August 1, 2002 to review Section 173.2. The Policy Subcommittee feels that current policy restricts the Student Advisory Board to just having the President of the SAB sit on the School Board rather than a representative that the SAB selects. Past practice has been that the President of the SAB and the Student Representative to the School Board has not always been the same individual.

According to School Board Policy, a representative from the Minority Education Concerns Committee (MECC), Military, and the Student Advisory Board serve the School Board in an advisory capacity. The School Board appoints members of the MECC; the Military appoints their representative; and the Student Advisory Board selects their representative.

In order to make these three School Board policies more parallel, an amendment was made on first reading at the August 12, 2002 School Board Meeting. The Board agreed that it was appropriate to make these three policies more consistent.
