April 21, 2003

TO: SCHOOL BOARD

FROM: OFFICE OF THE SUPERINTENDENT

SUBJECT: RESOLUTION DESIGNATING MAY 7, 2003 NATIONAL SCHOOL
NURSES DAY

RECOMMENDATION:

It is the Administration's recommendation that the School Board adopt the attached resolution designating May 7, 2003 as National School Nurses Day.

PERTINENT FACTS:

Each year, the National Association of School Nurses sets aside a day to recognize school nurses. School Nurse Day has been established to foster a better understanding of the role of school nurses in the educational setting.

Setting aside a day to honor the efforts of our school nurses and health treatment specialists is one way to let them know they are valued and respected. They deserve our thanks and appreciation during this day and always.
