F. SCHOOL BOARD COMMENTS

G. ADJOURNMENT

Time - The time estimate is intended to offer a suggestion for presentation by the Administration and questions and answers from the School Board. The presentations should take about 10 minutes for each alphabetical listing (B-E). It hopefully will allow for more efficient time management, but everyone should be flexible and responsive to the amount of time needed.

Public Testimony - Opportunities will be provided for public testimony at the School Board's discretion as to the appropriate time.
