*The Alaska Club North and East courts will be available for ASD use from 2 pm – 6 pm. If both opposing teams arrive early (as in at or before 2 pm), group warm-ups may start as early as 2 pm and matches begin by no later than 2:30 pm with the goal of being off most or all of the courts by 6 pm. The Alaska Club will set aside two courts from 6 – 7 pm for ASD use should our matches run long. Suggestions for streamlining indoor warm-up time with two schools is to have the teams do a group warm-up and then allow players a 5 minute warm-up period and players given a 3 minute reminder to start taking serves.
