January Training Requests?

January Training Dates

Wednesday, 1/23/08

Thursday, 1/24/08

Monday, 1/28/08

Tuesday, 1/29/08

Those new-fangled technologies!

“Students today can't prepare bark to calculate their problems. They depend on their slates, which are more expensive. What will they do when the slate is dropped and it breaks? They will not be able to write.” (Teachers Conference, 1703)
