The Indian Education Program of the Anchorage School District has staff in 50 schools within the district. The program concentrates its efforts in three areas: academic assistance, counseling, and cultural enrichment. Unfortunately, there is not enough funding to place staff in every school. However, if you or your child is interested in participating in activities, please call our offices at 742-4445. The Indian Education Resource Room is located at 5530 E. Northern Lts. Blvd., Anchorage.
