

# Highland Tech Lego Robotics

## The Drugginator

**Media:** Stick figure animation

**Main Message:** Addictions can become out of control and lead to deadly consequences.

**ASD SEL Standard:** (1D) Students will have a sense of personal responsibility.

### **Discussion Questions:**

1. What did the worm represent?
2. Why do teens drink?
3. What are some consequences or effects of drinking?
4. Teens might think "I'll just have one drink. It's no big deal." How can drinking become a bigger issue in a teen's life than he or she might have thought?
5. What are the best ways to deal with peer pressure?
6. What is addiction?
7. How does addiction impact the person addicted?
8. How does addiction effect the people in the addicted person's life?
9. Who is at risk for becoming addicted to alcohol?
10. Why can it be difficult for teens to break away from drinking?
