Choices That Make Sense

Media: Video

Main Message: Underage drinking doesn't make sense; make good choices instead.

ASD SEL Standards: (2C) Students use effective decision-making skills.

Discussion Questions:

1. Have you ever been affected by someone who drinks?
2. What are your thoughts about underage drinking?
3. Why do you think teens drink?
4. Why do you think adults drink?
5. Why are there laws against drinking of alcohol for youth?
6. What examples from the video promote the theme of the message?
7. What choices do you make today that don't make sense?
8. How do you think these choices affect your life?
9. How do your choices affect others?
10. In what ways can you encourage others to do things that make sense?
