Date Wednesday, October 22, 2008

What methods did you use to report the results of your grant to interested members of the public? Some examples would be your school newsletter, parents' meeting, or your school web site.

Newsletter, school improvement plan and PTA meetings.

Major Accomplishment

The Recycling program at our school gets all of the kids involved in and aware of our environment. The Team Building through Sports also has a great component of kids working together to achieve a goal.

Students Served

Elementary	150
Middle School	0
High School	0

Services and Activities Provided:

During this school year, our school provided the following activities:

- After-School or before-school programs

Specialized Program Use

Our school used the following specialized program(s):

- Cooperative Learning
- Red Ribbon Week
- The Great Body Shop

Coordination

Our school's drug and violence prevention program coordinates with the following other agencies and organizations for the services indicated:

Student and Parent Involvement

Students **were not** involved in design, delivering, or critiquing drug or violence prevention programs.

Parents **were not** involved in design, delivering, or critiquing drug or violence prevention programs.

Activity Reports

Team Building Through Sports

Brief Description

Teambuilding Through Sports provided students with after school activities to help facilitate cooperation and teamwork among the students.

Needs Assessment

- a. SCCS,annual school report card

Evaluation Methods

- a. pre-post assessment

Data Summary

See attached email enclosure.

Other Comments

Overall, students improved in the area of cooperating with each other. There was also significant improvement with students feelings as though they worked hard to achieve his or her goals. The pre and post assessments also indicate that more needs to be done in terms of helping students with his or her enjoyment of school.

Student council

Brief Description

Student Council students worked together to improve the school climate through various activities such as fund raisers and spirit days. Students worked cooperatively with staff and each other through meetings, setting agendas and goals, and learning the democratic process.

Needs Assessment

- a. SCCS,annual school report card

Evaluation Methods

- a. pre-post assessment

Data Summary

See attached email enclosure.

Other Comments

Students in the Council worked well together. The student leaders made sure that everyone had a chance to make suggestions and participate in student government. Working together, listening and making decisions were key to this activity and the students met the challenges brought before them.

The Cooperation Club

Brief Description

The cooperation club is aimed at supporting students who work together to support each other and the environment through recycling.

Needs Assessment

- a. SCCS,annual school report card

Evaluation Methods

- a. pre-post assessment

Data Summary

See email attachment.

Other Comments

Students made significant gains and improvement when it cam to cooperating with each other, giving encouragement and the ease of working with each other. Overall, the Cooperation Club achieved great success and goals were met.
