What methods did you use to report the results of your grant to interested members of the public? Some examples would be your school newsletter, parents' meeting, or your school web site.

school newsletter

Major Accomplishment

Students self-reporting the skills they are learning in the after school programs that are being offered. Many of our after school programs have been offered for several years and they are becoming a part of the school culture - students look forward to them and anticipate the fun they will have.

Students Served

Elementary	75
Middle School	0
High School	0

Services and Activities Provided:

During this school year, our school provided the following activities:

- After-School or before-school programs

- Social services providers
 - Joint Service Delivery, Referrals

Student and Parent Involvement

Students **were** involved in design, delivering, or critiquing drug or violence prevention programs.

Parents **were** involved in design, delivering, or critiquing drug or violence prevention programs.

Activity Reports

After and during school specialized programs. We are offering a yearbook club and will offer several sports programs as well as a theater program

Brief Description

We hosted several after school activities to include those above as well as orienteering, flag football, ultimate frisbee, and frisbee golf.

Needs Assessment

climate and connectedness survey

Evaluation Methods

pre/Post Survey

Data Summary

This activity started and ended before the SDFS coordinator meeting in the fall and we were using the old pre/post test. That is why these are different. Revisions were made after talking with Mike B. at the Coordinator Meeting.

Other Comments

Lots of student participation and many students signed up for multiple activities.
