Participation Rate: Met

Other Indicator: Met

N/A is used to indicate:

- (1) Subgroups with 20 or fewer students enrolled on the first day of testing shall not be included in participation rate calculation.
- (2) Subgroups with 25 or fewer students enrolled for the "full academic year" shall not have the performance score computed.

* For the groups where the number enrolled is less than or equal to 40, participation is met when no more than 2 miss the test. Groups can also meet this target using the average of the past two or three years.

*** Results cannot be published without releasing personally identifiable information.
