Graduation Rate: Met19.0% (IMP)(Threshold is 55.58%)

N/A is used to indicate:

(1) Subgroups with 20 or fewer students enrolled on the first day of testing shall not be included in participation rate calculation.

(2) Subgroups with 25 or fewer students enrolled for the "full academic year" shall not have the performance score computed.

* For the groups where the number enrolled is less than or equal to 40, participation is met when no more than 2 miss the test. Groups can also meet this target using the average of the past two or three years.

** Where a group achieves a "Yes" without meeting the listed target, it has done so using either the 99% confidence interval or Safe Harbor.

*** Results cannot be published without releasing personally identifiable information.

**** Whaley Center includes Whaley School, Mt. Iliamna, and all of the special programs in our district. Most of the programs under special schools are acute and residential treatment programs. In these situations, the medical staff makes a determination on whether the student is able to participate in testing. These students do not fall under the exclusion of an emergency medical condition so it is extremely difficult, if not impossible, for Whaley Center to meet the participation rate of 95% of all students enrolled.
