

## Application for a Waiver from Passing the HSGQE Based on Results from Another State's Competency Exit Exam

State of Alaska regulation 4 AAC 06.777 allows a student to request a waiver from passing the High School Graduation Qualifying Examination (HSGQE) if the student has passed all parts/subtests of another state's competency exit exam. Students must meet all other state and school district requirements for graduation to earn a high school diploma. Submit a waiver application to the local school board for approval. Please note: State regulation requires a student to take the HSGQE until either the student passes the exam or the local school board grants the application to receive a diploma based on exam results from another state.
