Chugach Optional School Overview

Statement of Program

The students at Chugach Optional Elementary School develop a sense of responsibility for themselves and others while becoming confident, independent learners. The Chugach staff believes that instruction should be child-centered and children should be responsible for directing aspects of their learning. The staff creates experiential curricula that honor individual student learning styles. A high level of parental involvement is integral to our school's success. Adult family members work in the school to provide a wide array of individualized learning experiences for the students
