

**Chester Valley School Overview**

**Statement of Program**

Chester Valley Elementary School provides a complete K-5 program with an ongoing emphasis on academic achievement and mastery of basic skills. Our current student population is 284 students. Last year was the last time we housed sixth-grade students. Sixth-graders in our area now attend Nicholas J. Begich Middle School.

We have a preschool program for learning-disabled and special-needs children. The instructional staff includes classroom teachers, music, art, band and orchestra, special education resource, physical education, the library and Ignite Program. Support services are available in bilingual, Indian Education, occupational and physical therapy, psychology and through the school nurse.

Chester Valley provides full-day kindergarten and is a neighborhood school that is committed to increased student learning. We are dedicated to expanding our partnership with our families and community. Chester Valley has been fortunate to have an active and strong PTA that supports our academic goals and the educational efforts.
