

Birchwood ABC Elementary School Overview

Statement of Program

Birchwood ABC School is an alternative program in the Anchorage School District. Birchwood ABC offers a highly structured learning program dedicated to academic excellence. The staff emphasizes basic academic skills and subject matter, along with the establishment of good study habits. In addition, Birchwood ABC stresses character development, citizenship and patriotism as prime directives in the education of the child. The school seeks to build within each child, a sense of responsibility, confidence and pride in accomplishment.

N/A is used to indicate:

- (1) Subgroups with 20 or fewer students enrolled on the first day of testing shall not be included in participation rate calculation.
- (2) Subgroups with 25 or fewer students enrolled for the "full academic year" shall not have the performance score computed.

* For the groups where the number enrolled is less than or equal to 40, participation is met when no more than two miss the test. Groups can also meet this target using the average of the past two or three years.

** When a group achieves a "Yes" without meeting the listed target, it has done so using either the 99% confidence interval or Safe Harbor.

2007-08 TerraNova 3rd Edition Grade 5 Percent and Count of Students in Each Quartile For Birchwood Elementary School

Climate Survey Results for Birchwood ABC Elementary School

The Anchorage School District administered the School Climate and Connectedness Surveys in spring 2008 to students in grades 5-12, all school staff and parents/guardians of students in grades K-12. The surveys were done to provide schools with information about perceptions and experiences related to school climate for use in setting school goals and redirecting resources. In the spring of 2008 grades 3 and 4 students were involved in a pilot survey for measuring school climate and connectedness. The results are currently under review by the American Institutes for Research.

Respondents were asked to answer a series of questions that were related to a certain concept. For each item, there were five options from which to choose a response. The answer options ranged from strongly disagree (1) to strongly agree (5).

**District data does not include KCC responses

Each question in the survey related to a factor or concept, and a score was calculated based on the mean response for the questions related to each factor. The factors measured in the survey were:

- **School Leadership and Student Involvement:** This factor reflects students' feelings about the decision making of school leaders as well as student participation in the school governance. Students selected responses between 1 and 5 where 1 indicates a low level of school leadership and student involvement and 5 indicates a high level of school leadership and student involvement.
- **Respectful Climate:** This factor reflects students' feelings about fairness of rules and respect for students' contributions. Students selected responses between 1 and 5 where 1 indicates a lack of a respectful climate and 5 indicates a highly respectful climate for students.
- **High Expectations:** This factor reflects students' feelings about their own expectations as well as those of adults in their school and community. Students selected responses between 1 and 5 where 1 indicates a lack of high expectations and 5 indicates a high level of high expectations.
- **School Safety:** This factor reflects students' feelings about bullies and gangs at school as well as general crime and violence in the community. Students selected responses between 1 and 5 where 1 indicates a low level of school safety and 5 indicates a high level of school safety.
- **Peer Climate:** This factor reflects students' feelings about how respectful students are to one another and how helpful students are to other students. Students selected responses between 1 and 5 where 1 indicates a more negative peer climate and 5 indicates a very positive peer climate at the school.
- **Caring Adults:** This factor reflects students' feelings about how close they feel to adults in the school. Students selected responses between 1 and 5 where 1 indicates a lack of caring adult relationships and 5 indicates strong caring adult relationships at the school.
- **Social and Emotional Learning:** This factor reflects students' ability to think about the consequences of their actions and to empathize with others. Students selected responses between 1 and 5 where 1 indicates that students at the school perceive themselves as having poorer social and emotional learning, and 5 indicates higher levels of social and emotional learning.
- **Community Involvement:** This factor reflects students' feelings about how supportive and welcoming the school is with parents and the community. Students selected responses between 1 and 5 where 1 indicates a less supportive and welcoming environment and 5 indicates a more supportive and welcoming environment.
- **Overall Climate:** The overall climate score was computed as the mean of three scales: school leadership, high expectations and school safety.
- **Overall Connectedness:** Overall connectedness score was computed as a mean of four scales: respectful climate, peer climate, caring adults and community involvement.

Each question in the survey related to a factor or concept, and a score was calculated based on the mean response for the questions related to each factor. The factors were:

- **School Leadership:** This factor reflects staff members' feelings about the decision making of school leaders as well as the fairness of school rules. Staff members selected responses between 1 and 5 where 1 indicates a low level of school leadership and 5 indicates a high level of school leadership.
- **Respectful Climate:** This factor reflects staff members' feelings about how students treat each other and how well students and staff members treat one another. Staff members selected responses between 1 and 5 where 1 indicates a low level of respect and 5 indicates a high level.
- **Staff Attitudes:** This scale reflects staff members' feelings about the competence of teachers as well as how positive their attitudes are towards their jobs. Staff members selected responses between 1 and 5 where 1 indicates more negative staff attitudes and 5 indicates highly positive staff attitudes.
- **Parent and Community Involvement:** This factor reflects staff members' feelings about how accessible the school is for parents as well as how connected adults in the community are to the school. Staff members selected responses between 1 and 5 where 1 indicates a low level of parent and community involvement and 5 indicates a high level of parent and community involvement.
- **Student Involvement:** This factor reflects staff members' feeling about how involved students are in the decision making process. Staff members selected responses between 1 and 5 where 1 indicates a low level of student involvement and 5 indicates a high level of student involvement.
- **School Safety:** This factor reflects staff members' feelings about the impact of gangs and bullies as well as general crime and violence in the community. Staff members selected responses between 1 and 5 where 1 indicates a low level school safety and 5 indicates a high level of school safety.
- **Student Delinquency:** This factor uses staff members' reports of observing students getting into fights, stealing and bullying. The student delinquency and student drug and alcohol use scales differ from the other factors since the higher the score is the more negative the response. Staff members selected responses between 1 and 5 where 1 indicates a low level of student delinquency and 5 indicates a high level of student delinquency.
- **Student Drug and Alcohol Use:** This factor uses staff members' reports of observing students under the influence of drugs or alcohol. The student delinquency and student drug and alcohol use scales differ from the other factors since the higher the score is the more negative the response. Staff members selected responses between 1 and 5 where 1 indicates a low level of student drug and alcohol use and 5 indicates a high level of student drug and alcohol use.
- **Overall Climate:** Computed as the mean of 8 scales: school leadership, respectful climate, staff attitudes, parent and community involvement, student involvement, school safety, student delinquency, and drug and alcohol use scores.
