Students at Chugach Optional Elementary School develop a sense of responsibility for themselves and others while becoming confident, independent learners. The staff generates a strong sense of community while planning and preparing theme-based experiential curricula.

Teachers encourage their students to delve into presented topics and become active participants in their own learning. Student self-evaluation is a cornerstone of the assessment process. Children learn to become independent self-reliant learners as well as self-confident risk-takers. The open method used at Chugach focuses on “doing” and reflects an experiential approach to learning. In practice, this means extensive use of manipulative teaching materials, formulation and testing of hypotheses, numerous field trips and classroom visits by a variety of resource persons.

A high level of parental involvement is integral to our school’s success. Adult family members work in the school to provide a wide array of individualized experiences and enrich the program by sharing their expertise.

School Goals for 2010-11

Students in grades 3-6 will take two pieces of writing through the writing process each quarter, students on grades K-2 will complete one piece per quarter Attained

The average scale score on the state math assessment will increase by at least three points at each grade level Partially Attained

The school will increase student involvement in schoolwide decision making. Attained

Parent Involvement

Parents play a crucial role in establishing school goals and making sure their children do well in school. Principals are required to share their school achievement data with parents and they actively seek parents’ suggestions, comments and participation in setting annual school goals. For schools that did not make Adequate Yearly Progress, principals will also work with parents and staff to develop detailed school improvement plans. Contact your school’s principal for information on how parents can become involved in these activities.

Alaska Standards Based Assessment

The Alaska Standards Based Assessments (SBAs) are statewide tests designed to provide information about what students know and are able to do in reading, writing, mathematics and science. They estimate the degree to which students haven't mastered the Academic Performance Standards as outlined in the Grade Level Expectations. These assessments are written specifically for Alaska and are the foundation of the Alaska school-accountability system. Charts detailing this information are here and on the following page(s).

(2) Subgroups with 25 or fewer students enrolled for the "full academic year" shall not have the performance score computed. * For the groups where the number enrolled is less than or equal to 50, participation is met when no more than two miss the test. Groups can also meet this target using the average of the past two or three years. ** When a group achieves a "Yes" without meeting the listed target, it has done so using either the 99% confidence interval or Safe Harbor. *** The results cannot be published without releasing personally identifiable protocol.

District Adequate Yearly Progress

According to the Elementary and Secondary Education Act, ASD is in its sixth year of Level 4 corrective status. In 2010-11, the African-American, Alaska Native, Asian, Hispanic, Low Income, Disabled and Limited English Proficient student groups did not meet AYP in both language arts and math performance. Additionally, the district did not meet the 85 percent graduation rate threshold. Parents are strongly encouraged to participate in the development of school and district improvement plans that address the achievement of all students.

This AYP document was prepared by the ASD Assessment and Evaluation Department, 7/26/2011.

Detailed information regarding the school's performance is available in the Profile of Performance. More school report card information is available at www.eed.state.ak.us/tls/assessment. This document and the district report card are available online at www.asdk12.org/depts/assess_eval or through the Communications Department, 742-4153.
