

**CURRICULUM DEPARTMENT  
SIX-YEAR INSTRUCTIONAL PLAN  
June 11, 2007**

**ABSTRACT**

During the next six years the Curriculum Department will:

- Collaborate with all programs and departments to align K-12 curriculum, instruction and assessments.
- Develop curriculum guides in all subject areas that incorporate academic, Culturally Responsive Education/SEL standards; instructional strategies; assessments; differentiation; technology applications and model lessons.
- Build and communicate an integrated assessment system.
- Implement a K-8 standards based report card.
- Ensure quality online coursework.
- Model 21<sup>st</sup> Century learning skills and re-conception of education for the future.
- Know and disseminate exemplars of curricular programs, research and practices.
- Enlarge the scope of parent involvement via participation in interactive, innovative curriculum based initiatives.
