

# ASD GUIDELINES FOR THE USE OF MULTIMEDIA FOR INSTRUCTIONAL PURPOSES IN ELEMENTARY CLASSROOMS

## AUDIO VISUAL MATERIALS

- A. Schools must order materials and kits directly from the Audio Visual Services Center according to standard ordering procedures.
- B. Films and videos used in elementary schools should be rated "G" or "PG." If a "PG" movie is used by teachers, written parental permission must be obtained with an adequate explanation for the purpose of curriculum usage. PG13 movies or videos should not be used in the elementary schools.
- C. Safety Videos - The bus safety film Safe Bus Riders are Happy Kids video is for Grades K-4; Think Safety and Stay Alive video is for grades K-12; and Death Zones is for grades 5-12. These films and videos will be distributed annually to each school.
