Anchorage School Business Partnership program wins National School and Business Partnership Award

Created by the Council for Corporate & School Partnerships, the National School and Business Partnership Award recognizes exemplary partnerships between schools and businesses around the country. Partnerships involving K-12th grade public schools and/or school districts and businesses are eligible to apply.

The Council presents six awards each year. Those selected for the award receive national recognition and \$10,000 to support partnership efforts.

The Council is pleased to recognize the Anchorage School Business Partnership program as one of the six recipients nationwide to receive this 2005-2006 award. Congratulations to all the participants who made this program successful, particularly the Anchorage School District and the Anchorage Chamber of Commerce. Find out more by visiting www.corpschoolpartners.org.

Success By 6 Awards

The Success By 6 Initiative is a United Way community partnership with Child Care Connection, Inc. The goal of Success By 6 is to ensure all children develop the social-emotional, cognitive skills and physical capacities they need to achieve well-being and be ready for learning upon entering school.

One of the ways Success By 6 works to achieve this goal is by presenting Work Family Awards each year. The Work Family Awards recognize and honor local businesses that have family friendly policies such as flexibility, time-off, sick-leave, insurance, education, and other policies that support children and families.

Anchorage School Business Partnership

Star Award

The STAR AWARD was initiated in 1996 to recognize an outstanding partnership in the Anchorage School District (ASD). At that time we had 190 partnerships. Today we have in excess of 460 partnerships, and have increased the STAR AWARDS accordingly. STAR AWARD partnerships are nominated by ASD principals and must meet the following criteria.

- Enthusiastic support of School Business Partnerships and the school or schools to which the nominee is partnered with.
- Commitment to educational enhancement of our youth.
- Excellence of what is offered.
- Dedication to the continuation and success of the program.
- Participation on a regular, dependable, scheduled basis.
- Willingness to be flexible and find ways to provide support and assure success.
