

Kindergarten Houghton Mifflin Pacing Guide 2011 – 2012

***On the weeks with in-service days, you will need to blend days to stay on schedule. Launching the Theme was not included in the schedule, in order to keep us on a weekly schedule to match the teacher's edition. You will want to blend this with the first day of the new theme, or plan for it during an afternoon prior to day one of the new theme.**
