Rilke Schule German Immersion Charter School K-8 www.rilkeschule.org

Rilke Schule's philosophy states that the school will provide an immersion program in the German language for students who attend the school. There is an emphasis on being responsible citizens of the community and the world. ASD curriculum is followed in all classes except German language classes. Community involvement is a major part of the school, and the local German community and the school work very closely together.

Winterberry Charter School K-8 www.winterberryschool.org

Winterberry School is based on an educational philosophy similar to one developed by Rudolph Steiner known for Waldorf Educational Philosophy. Our mission is to provide an innovative, standards based education, enhancing the growth of student creativity and imagination through the arts. Our program is designed to promote the growth and development of the whole child-head, heart and hands.

Anchorage School District
Educating All Students for Success in Life

Charter Schools

Charter schools are non-sectarian, public schools that operate within the district. Charter schools offer alternative teaching methods or curriculum and more independence than regular public schools.

ANCCS

Aquarian

Alaska Native Cultural Charter School K-6

www.asdk12.org/schools/anccs/pages/

ANCCS is open to all students in grades K-6. The school will incorporate active engagement with the Alaska Native community, offer students a curriculum focused on Alaska Native culture and a rigorous academic program based on the inquiry method to enhance academic achievement. Family members and elders will be an important part of every aspect of the program. Opens Fall 2008.

Aquarian Charter School

www.aquariancharterschool.com

Aquarian's philosophy is that because all students have great potential, all students will have great achievement. Aquarian delivers an integrated, interdisciplinary approach to teaching, including performance-based thematic curriculum that uses multiple intelligences and accelerated brain-based learning. Technology, Spanish, music, art, and physical education meet the basics of reading, writing, and phonics in partnership with math and other subjects.

Eagle Academy

Family Partnership

Eagle Academy Charter School K-6

www.eagleacademycharterschool.com

Eagle Academy Charter offers an academically challenging program requiring mastery of performance standards before students progress to the next level of curriculum. Students receive one hour each of PE, technology, art and music instruction weekly. Every family is required to fulfill a 16 hour volunteer commitment.

Family Partnership K-12

www.fpcs.net

The focus of this parent directed, child centered program is the parent/student/ASD sponsor-teacher relationship that aids in educational opportunities while offering a home-school based curriculum. Family Partnership is designed with the flexibility to customize individual learning plans using home study, correspondence curricula, small classes, private lessons, and/or area school and college class opportunities. We cater to the needs of our educationally diverse population, allowing for differences in student abilities and rates of growth.

Highland Tech High School 7-12

www.highlandtechhigh.org

Highland Tech High promotes a digital learning environment which integrates technology, connectivity and digital content into the classroom. Students are expected to follow a "professional" dress code resembling casual business dress. As a standards-based school, Highland students must pass each level with at least an 80 percent proficiency in each of the eight content areas.
