Charter and Alternative School Principals of Middle School Grades -- Please be advised that if a middle school teacher provides instruction in at least three of the four core content areas noted above -- the teacher is eligible to use an approved HQT designation in **MS Content** for being deemed highly qualified to teach the courses listed above. A designation in MS Content can only be acquired by attaining a passing score (≥ 140) via Praxis II Test 20146 Middle School Content Knowledge. Go online to www.asdk12.org/NCLB/teachers/ for more ASD information about Praxis II.

Additionally, the table above shows the course numbers to be used when scheduling teachers fitting the description herein.
