Student Ideas

better waste management - bigger gym - swimming pool - more levels - bigger lockers - bigger bathrooms - keep track records in the gym - make the outside of Romig more inviting - purple stripe down hallways - fountain with a Trojan statue in the center for outside - greenhouse on top of the school - Romig is cool! - Starbucks - big locker room - I think the architects should build a theater for Romig. I think it will benefit choir, drama, orchestra and band. - math wing - pool - track - football field - science wing - game room - Kool-Aid fountain - escalators - safe house in case of real fire - flag on top of the school - the school should be like a maze - team names - bright neon colors - a large room for skateboarding - make the windows bigger that way more sunlight will come in - skylights in the library - bright murals - sunken places to read in the library - lots of plants and trees -
