## Student Ideas

create a mural along a wall in the school showing all the important people who have helped out Alaska. have it bordered with some of the animals of Alaska. – stained glass windows that look like the northern lights – better gym – better soccer, baseball, football fields – inspirational murals – room where guest speaker can prepare and present without being squished – big library with rolling ladders on bookshelves – rock climbing wall – balcony – outside benches – make school look less like a jail – food court – mountain views – bigger gym – bigger cafeteria – better colors – another section in the bathroom with comfy chairs and sofas – I want the school to have a fun environment, like animals being around and the feeling of nature! like the jungle, or learning in the water. make it a unique place to be – colorful halls and bathrooms – more culture and physical features of Alaska – new chairs – art on walls in hallways – lots of space – brighter color outside – wider and clearer windows – artifacts in glass boxes along the hallways – Trojan statue in front of school – hallway lockers designed to be columns
