Meeting Minutes 10/31/2002

Service High School Phase 2A

Building Design Committee Meeting

Held at Service High School Library at 2:45 pm

Attendees:

Pat Podvin	SHS Principal
Chris Scully	Architects Alaska
Marvin Ungerecht, AIA	Architects Alaska
Monica Hasek	Interior Designer, One Workplace Design
Summer Sauve	ASD Project Manager
Gary Veater	SHS Teacher

The following is a summary of this design meeting:

1. Monica Hasek presented the color schemes with modifications based on comments from the BDC at the last design meeting.
2. Pat Podvin stated that he would like each of the 4 houses to have a major color, the rest of the campus would be a separate color scheme. This was accepted.
3. Monica Hasek presented a colored sketch of the floor colors and patterns and accent walls in the houses.
4. The pattern and colors were accepted for interiors with minor modifications.
5. The exterior of the building was discussed and it was suggested that the Architect take a look at Goldenview Middle School, and how the school was broken up with color and designs.
6. This concludes the end of the Building Design Committee meetings. The project manager will be issuing a notice to proceed to the Architect to start construction drawings.

Submitted by Summer Sauve. If you have any changes or additions that you would to make to the meeting minutes, please send them to me.
