

Buy a wreath and help a ski team!

This year the Bartlett Ski Team is selling Christmas wreaths to help finance new equipment and other supplies. The team has committed to selling 250 wreaths. If each team member can sell 10-15 wreaths we will make our goal.

These beautiful 24" wreaths, from Silver Mountain Christmas Trees in Oregon, are made from Noble Fir greens and are accented with Cedar and Pine. The team also provides a hand-tied decorative ribbon.

The wreaths will be available for delivery the week after Thanksgiving.

Please contact a member of the ski team with your pre-order or contact Coach Tom at [grenier\\_tom@asdk12.org](mailto:grenier_tom@asdk12.org). Please contact Coach Tom with any questions you have regarding wreath sales.

The wreaths sell for only \$20. That includes the handmade bow!

Happy Holidays!
